NATIVE PLANTS AND SEEDS

PERENNIAL PLANTS

BULBS, SHRUBS

Fall 1931

List No. 6

Retail Only

As usual, my stock is quite limited again. If I should be sold out of any variety I will promptly return your money or you might make a second choice. I guarantee they will arrive in growing condition.

Postage extra on all plant orders. Any excess you send will be promptly returned. Seeds postpaid.

Unless otherwise noted, all plants are 15c each. Seeds 10c. All plants and seeds are perennial except as noted: a stands for annual; bi, biennial; r for rockery plants; n for native; and s for shade.
